Subject: Re: Casuarina Coastal Reserve and Landcare 4 Question survey

thank you for writing to me on these important matters.

given the gravity of some of the issues, I don't believe a simple yes/no answer is appropriate.

if elected and any of these matters arise before the parliament, I will be guided by constituents plus consultations with stakeholders such as your organisation.

Regards,

BELINDA KOLSTAD

Subject: Casuarina Coastal Reserve and Landcare 4 Question survey

Dear Candidate

I'm writing on behalf of the Friends of Casuarina Coastal Reserve Inc., Rapid Creek Landcare Inc. and Casuarina Coastal Reserve Landcare Group.

We are concerned about the ongoing inadequate recognition and care for the environment of the Northern Territory and in particular the natural values of Casuarina Coastal Reserve.

Candidates' commitments, or otherwise about changing this situation will help determine who our members and supporters choose to vote for.

We are therefore inviting you to complete a four-question survey which you'll find at this link: <https://forms.gle/oVxND8DHEKRxeRoK7> . Please provide your answers by COB Sunday 4th August.

We will not endorse any candidates but will publicise your responses (or lack of response) to our email lists, on our Facebook sites and websites. We are also considering a Media Release.

Thank you in advance for assisting people to make a well-informed vote.

Yours sincerely

Deb Hall
